

## e-lesson

Week starting: 15<sup>th</sup> October 2001

### 1. Oscar Wilde

It's Oscar's birthday on Tuesday (16th October) - Happy birthday Oscar! This week's worksheet has some true/false statements and a text with the answers and then some of Oscar's epigrams for your students to have a look at. here to get your copies.

There are two pages to print. We recommend you download the PDF file format, but if you have any problems with this, you can download an RTF file instead.

<http://www.insideout.net/warehouse/worksheets/October/IO019S-wilde.rtf>

Level: Intermediate (without the quotations) or Upper Intermediate (with the quotations)

How to use the lesson:

1. Give each student in the class a copy of Worksheet 1 (only the top half if your students are intermediate). Ask your students to work in pairs, look at each statement and decide if it is true or false. Ask them to circle their choice.
2. Give each student in the class a copy of Worksheet 2 and ask them to read the text and check their answers.
3. Check answers in open class.

#### Answers

- |          |          |
|----------|----------|
| a) false | e) true  |
| b) true  | f) false |
| c) false | g) false |
| d) false | h) false |

4. Ask your students to look at question 2 on Worksheet 1. Ask them to look at the quotations and decide, in each case, what Oscar was talking about.

5. Check answers in open class.

#### Answers

- |             |              |
|-------------|--------------|
