

## e-lesson

Week starting: September 21, 2009

### 1. Harry's latest movie

This week's lesson is about the latest Harry Potter movie, *Harry Potter and the Half-Blood Prince*.

### Level

Pre-intermediate and above (equivalent to CEF level A2-B1 and above).

### How to use the lesson

1. Brainstorm on the subject of Harry Potter. What do the students think of the Harry Potter books and movies? Encourage anyone with strong opinions to try to justify them to the rest of the class. Have any of the students seen *Harry Potter and the Half-Blood Prince*? If so, encourage them to describe it.
2. Give each student in the class a copy of Worksheet A, and give them five to ten minutes to read through it, encouraging them to look up new vocabulary. Note that some of the words that might be new are not in the glossary because they form part of Exercise 1.
3. Hand out Worksheet B, divide the students into pairs, and ask them to do Exercise 1, in which they have to match the words from the text on Worksheet A with the definitions.
4. Check answers in open class.
5. Tell the students they are going to prepare a test for each other. Then divide the class into two teams, A and B. Tell them they should try to remember as much as possible about the text on Worksheet A, so give them a little more time to go back and re-read it.
6. Cut Worksheet C in half and give each member of each team the corresponding half. Explain that each team has to work together in order to formulate the questions that produce the answers given, based on the text on Worksheet A. Note that it is possible for there to be slight variations of each question.
7. When both teams are finished preparing their questions, ask them to turn over Worksheet A and the glossary so that they can't see them.
8. The two teams now take turns asking and answering the questions. Encourage the teams to confer before answering, but make it clear that once they have given their answer, they cannot change it. You should only accept answers given in correct English. Keep score on the board: the team with the most correct answers at the end of the quiz wins.
9. Check answers in open class.
