
The Oscars

WORKSHEET A

The most glamorous annual event in the world of cinema took place in a theater in Los Angeles on February 27th: the Academy Awards, or “Oscars,” ceremony.

The Oscars are awarded for excellent work in the movie industry, and all of them are for work on one specific movie. There are twenty-four awards in total, with “Best Actor,” “Best Actress,” “Best Picture” (best movie), and “Best Director” probably the most well known.

The winner of each award receives a famous trophy known as an “Oscar” – a gold-plated statuette, thirty-four centimeters high, of a person holding a sword and standing on a reel of film.

The people who decide who should receive the awards are members of the Academy (the American Academy of Motion Picture Arts and Sciences, to give it its full name) – about 6,000 people in total, including actors, directors, and screenwriters.

The movies that have won the highest-ever number of Oscars are *Ben Hur* (1959), *Titanic* (1997), and *The Lord of the Rings: The Return of the King* (2003). Each of them won eleven, including Best Picture and Best Director.

Of all the famous people acting in movies today, some have won the Oscar for Best Actor or Best Actress twice – including Tom Hanks, Jack Nicholson, Jodie Foster, and Hilary Swank – but none have won it three times.

The big winner at the 2011 awards was *The King’s Speech*, the true story of how the British king in the late 1930s, George VI, worked with a speech therapist to try to overcome his stutter at a time when, with the Second World War approaching, he needed to make important speeches. It won four Oscars in total, including Best Picture, Best Actor (for the British actor Colin Firth, who played George VI), and Best Director.

The winner of the Oscar for Best Actress was Natalie Portman, for her role as a ballet dancer in *Black Swan*. It was no surprise that *The Social Network*, the movie about the creation of the social networking website Facebook, won three awards, or that *Toy Story 3* won Best Animation, but some people were surprised that the western *True Grit* didn’t win any awards.
